PhD Student, Hong Kong University of Science and Technology

Email: zjinbe@connect.ust.hk | ORCID: 0000-0001-6893-8319 | Homepage: kiaarryy.github.io

Research Interests

Building and urban energy-carbon modeling; HVAC modeling; thermal comfort in large public buildings; HVAC system fault detection and diagnosis; smart building data analytics.

Education

M.Sc., Heating, Gas supply, Ventilation and Air conditioning Works, Sichuan University, Chengdu, China, Sep. 2022-Jun. 2025.

B.S., Building Environment and Energy Application Engineering, Sichuan University, Chengdu, China, Sep. 2018-Jun. 2022.

Honors and Awards

- Excellent graduate of Sichuan University in 2025.
- National Scholarship for Graduate Students, Ministry of Education, China, 2024.
- Outstanding Graduate Student, Sichuan University, 2024.
- Excellent graduate student of Sichuan University, 2023.

- Comprehensive First-Class Scholarship, Sichuan University, 2021.
